OFFICER/COMMITTEE REPORTS:
Secretary
Thank You letter from Lori Bradshaw for NAHSL scholarship was read and will be sent to Archives
Minutes from 2008 Annual Meeting are not online.

Treasurer
Current balance $81053.39. NAHSL is in very good financial shape.
We did not meet goal of spending down $15,000.00 to reduce the treasury.
In anticipation of the end of Mark’s term as treasurer, he will be closing the TDBankNorth account. All outstanding checks must be cashed. He is anticipating a smooth transition in January.
Annual Meeting Continuing Education Expense amount was questioned. A motion was made and seconded to remove the Continuing Education income from the report. He will also check why the Prof. Dev.-NAHSL scholarship was listed as income and not an expense and submit a final, amended report.

Nominating
Marianne reminded people that now is the time to appoint new committee members for 2 year term (nominating comm. Is 1 yr).

Conference Planning Taskforce
Copy of first report is attached.

Chair-Elect
3 keynote speakers already on board: Stuart Wiebold, Judy Blake and Eugenie Prime. Amanda Cole and Liz St. Clair may also be presenting. Other plans are taking shape.
**Chapter Council:**
See attached report. Janet will ask Len Levin to write an article for MLA column about the successful “NAHSL 50” contest.

**By-Laws/Procedures**
Bylaws approved at Oct 20 meeting have been posted on the website.
Sally will take care of archiving 2007-08 ByLaws.

**OLD BUSINESS:**
Priorities From Sept meeting:
1. rethink annual conference
2. develop NAHSL blog
3. acquire web conference software
4. increase NAHSL meetings online
Goal is to set up trial videoconference in summer.

**NEW BUSINESS**
Motion to change NAHSL name: see attached motion that was approved at the Annual Meeting. **Name Change Taskforce** to draft plan to bring before membership was created and includes John Gallagher, Chair, Mark Goldstein, Shirley Gronholm and Marilyn Pitman.

**Distribution of Reports Prior to Exec. Bd. Meeting**
There was a short discussion about posting reports to a wiki instead of sending separately to each member. Reports should be submitted no later than 1 week in advance.

Meeting was adjourned around noon because Shrewsbury lost power due to an ice storm. Action items, questions, further business will be conducted through the list serve as necessary.
As of Dec 11, 2008, the NAHSL Treasury amounts to $81,053.39: $74,348.45 in savings, earning the current Annual Percentage Yield of 2.28%; and $6,704.94 in checking.

The 5-month CD with TD Banknorth was liquidated in early November.

Please see the following three financial reports as separate attachments:

- YTD Account Balances
- YTD Income/Expense by Category
- YTD Budget-to-Actuals Report (includes Budget 2009 figures)

With several weeks remaining before the end of the calendar and fiscal years, NAHSL remains fiscally sound. In spite of both the worsening economy and a severe reduction in bank interest rates, there’s every reason to anticipate that the organization will continue to meet both its operating costs and member benefit objectives into the foreseeable future.

Respectfully submitted,

Mark Goldstein, Treasurer

MLA Chapter Project Award
Submissions have been received, and jury members have deliberated. A recommendation is being forwarded to Chair of the MLA Awards committee.

Information Sharing
1. Chapter Council members were asked to forward a request from the MLA Ad Hoc Committee for Advocating Scholarly Communication for participation in their survey on Open Access and the NIH Policy. (Len forwarded this message)

2. Chapter Council members were asked to respond to queries from the Southern Chapter on the following: (Janet answered these questions)
   A. How do you handle MLA Benchmarking? Such as: Do you have a representative or a committee? Are they appointed or elected? What activities have they participated in? Do you have bylaws or procedures covering their role?

   B. Do you have a Public Relations person or committee? If so, what are their duties or activities? Are they appointed or elected? Do you have bylaws or procedures for PR?

3. Janet sent the following to CC Reps

   Hi All -

   The North Atlantic Chapter has formed a task force to look at numerous concerns regarding our Chapter's annual meeting, and I've been charged with gathering information from other Chapters. I'd greatly appreciate your answering as many of the following questions as you can. Please feel free to call me if that would be easier, and thanks very much for your help. I'll gladly share what I learn with any of you who are interested. I know this is asking a lot, and I'm grateful for any help!

   Please respond by November 19, 2008.

   We would like to review 3-5 years of data from you, but don't let that be a hindrance - we're happy with the last two years!

Costs
1. For each of the last 3-5 annual meetings, please provide financial information such as total cost of the conference, how much profit or loss there was for the conference.
2. Do you receive sponsorship for the conference from vendors or other sponsors (i.e. local businesses, member institutions). If so, approximately how much?
3. What have you charged for registration in the last 3-5 years?
Joint Conferences
1. In the last 3-5 years, have you held a joint conference with another Chapter (or other Chapters)?
2. How many Chapters participated?
3. Any lessons learned?

Conference Length
1. In the last 3-5 years, what has been the length of your annual conference?

Attendance
1. How large is the membership of your Chapter (approximate)?
2. How many members attended your conference in the last 3-5 years?

Meeting Guidelines
1. Do you refer to, or follow the MLA Chapter Planning Meeting Guidelines created by Chapter Council?

and a few final questions, tangentially related to annual conferences ...

1. How do you select the Conference Chair?
2. How do you select your Chapter Chair?
3. Does the Conference Chair automatically move on to become the Chapter Chair?

Any other comments you’d like to share?

Responses were received from 8 Chapters, and once I have NAHSL responses, I will share all the information collected with other Chapters (as was requested).

4. An email message was sent to NAHSL Chapter members outlining the process for MLA dues increases.

5. Chapter Council rosters were updated to include Len Levin as NAHSL’s Alternate Representative.

Chapter Column in MLA News
Pam Corley, editor of the MLA News Chapters Column continues to seek suggestions for future columns – ideas included how Chapters are using blogs, wikis and other technology, and a column to share news of what is going on in the individual chapters. Deadlines are the 21st of the month two months prior to the issue. Is there anything we would like to contribute?

Bylaws

The revised bylaws, approved at the October 21 NAHSL business meeting, have been distributed to the board via email and posted to the NAHSL website.

Policy and Procedure Manual

A revised manual, worked on extensively last year, has been distributed to the board for review and feedback. Changes affect terms of office, the move of Archives to standing committee status, general cleanup, and related renumbering.

Committee Matrix

The matrix has been revised to accommodate changes in the manual. The matrix is good for a quick check of board member basics.

Board feedback for refining the manual has already been provided by some members. All are encouraged to review their areas in both the manual and the matrix for clarity and accuracy. This work will be ongoing.

Chair, Bylaws Committee
HIGHLIGHTS:

CPC: We are considering holding some meetings by Adobe Connect. We have to be mindful of the limitations of the medium, and plan these meetings for when an abbreviated meeting would be appropriate.

Program: We anticipate a poster session. We plan to make good use of local & regional speakers, and we have arrangements with 3 of our keynote speakers, Stuart Weibel a futurist and researcher from OCLC, Judy Blake from Jackson Lab and Eugenie Prime. We have also talked to Nanada Col from Maine Medical Center, and Lizz Sinclair from the Literature & Medicine program at the Maine Humanities Council. Final booking is still pending our review of the evaluations of the 2008 conference. We are considering expanding the breakouts to 3 sessions for more ‘practical’ programming.

Hospitality: We are on track with our social events and food plans. Happy and Cadence are checking out the caterers.

Vendors: The committee is hoping to use the ample space at the Samoset as an asset, and offer meeting space to vendors for demos, etc for an extra fee. We are also considering inviting vendors who sell related merchandise, like a jeweler who makes library-theme items.

Scholarship: We are welcoming scholarship items, and also plan to promote them on the website. We plan to have a powerpoint prior to the speakers which will thank our sponsors, show our scholarship items and include other helpful tips/fun things to engage people while they wait for the program to start.

Local Arrangements/Publicity: We really liked the year-round promotion of the 50th anniversary, and wanted to send out monthly emails/reminders with ‘tips for a good trip to Maine’, details about the area, and interesting informative tidbits about Mainers, etc. Watch for those to start in January.

Website/Online tools: The website is in the works, and will be ready for primetime in the new year. I continue to blog, focusing on the process of organizing a conference. The slideshow is online and available, and we plan to archive our ‘friendly reminder’ emails on the website.

Registration: Patty W has received a very helpful spreadsheet from Len for registration. We looked at an online service called RSVP for this, but found the spreadsheet would be just as good or better, and free!

NAHSL Website

Several updates have been made to the website including:

- Homepage
- Board Members List
- Committees List
- Policies & Procedures doc

NAHSL Blog

Initiating a blog to provide members with more timely announcements, information sharing, and interactive/social networking opportunities is the priority for the EC Committee in the coming months. Ideas are being generated and samples will be shared with the Board for feedback as it evolves.

NAHSL Wiki

The idea of developing a wiki for Board members (and general membership?) to utilize for posting reports, announcements, and other related content was raised at the Board meeting on 12/12/08. Sally will explore this idea, in particular reviewing with Mark Goldstein the successful wiki currently being used by the RAC. [Follow-up at the next Board meeting.]

Chair, Electronic Communications Committee
1. Awards for NAHSL 2009
The PD Committee will once again have a budget of 9,000.00 for 2009, with $4,500 for MLA Conference, $4,350.00 for NAHSL Annual Meeting, and $150.00 for Scholarship Table Expense.

2. Changes with PD committee manual
Some changes have been made through the efforts by the By-law committee. These changes, as Marilyn Pittman pointed out in her earlier message, includes “Terms of office” is change from three to two-year appointment; “References to defunct committees (program, newsletter) have been removed;” Archives was moved from "appointed" to "standing” status;” and "Section modified" notes from previous editions have been removed”

3. Issues with Awards criteria
The committee talked about changes in award criteria and decided to make gradual, not radical, changes in 2009, starting with a membership survey to solicit suggestions and recommendations from the NAHSL members. A survey questionnaire is being prepared and will soon be sent out through MonkeySurvey once approved by the committee. Findings from the survey will be discussed at a later date.

Previous CAHSL Meetings
December 4, 2008 – CAHSL Holiday Luncheon at Union League Café, New Haven
Guest speaker: Susan Keane Baker, a renowned expert on service quality, risk
management, patient satisfaction and patient relations in hospital and clinical settings,
presented on the essentials of providing excellent customer service. She provided all of
the attendees with a copy of her latest book “I’m Sorry to Hear That…Real Life
Responses to Patients’ 101 Most Common Complaints About Health Care.”

November 12, 2008 – MLA Webcast, Middletown Library Center
Approximately 30 members attended the MLA Webcast “Survival Tips and Stories:
Expanding the Library’s Services in Time of Disaster.”

Shared/Consortia Services Committee
The committee contacted several vendors to discuss consortial arrangements for library
resources. OVID, Rittenhouse’s R2, and StatRef are exploring arranging consortial
pricing for interested CAHSL libraries.

CHA Membership
CAHSL President, Ellen Brassil met with Connecticut Hospital Association Membership
Coordinator, Cora Buchanan to attempt to have CAHSL recognized as an organization
covered under each library’s parent organization’s membership in CHA. Such
recognition would make it much simpler for CAHSL to reserve and schedule conference
rooms and equipment at CHA for CAHSL’s monthly meetings. Individual membership
for CAHSL in CHA would be $700 annually and would not solve the problem regarding
reserving rooms and equipment. An ad hoc group is forming to try to have CAHSL
recognized by the CHA.

Upcoming Meetings
January 21, 2009
Guest Speaker – Lisa Newton, PhD will present “Ethical Imperialism and Informed
Consent. Ms. Newton is the Director of both the Applied Ethics and Environmental
Studies programs at Fairfield University.
Spring Meeting Planned:
Our next meeting will take probably take place on May 7th, the location is to be determined and Jessie Casella is creating survey—monkey questionnaire will be going for members, to help determine the location and programming of that meeting.

Work in Progress:
By-Laws: Katie Doherty and Anne Conner have reviewed the organization’s bylaws and made a few recommendations to the membership via email, with further review and adoption reserved for our next meeting…

Member Accomplishments:
Gayle Tudisco of Elliot Hospital in New Hampshire has had a brief article published in the One Person Library newsletter during 2008, and has a contribution scheduled for the MLA newsletter in 2010.

Sheila Hayes shared that she has been appointed as webmaster for the hospital section of the MLA website.

Several personnel changes occurred due to retirements at OLIS (Office of Library & Information Services).
WebJunction is now available to the library community in Rhode Island.
OLIS had a site visit from IMLS (Institute for Museums & Library Services). It went well and
IMLS gave a few recommendations to improve the program.
There was much discussion about the closings of libraries (all types) in RI.
Next meeting is December 15th.

**Karla Harry Commission**

Commission met on September 18th to review the final draft of the 2008 report and approved it with edits.

A sub-committee was appointed to look at funding for SurfRI statewide databases.

**General**

The re-launch of AskRI took place on December 10th at Providence Public Library’s main location. Resources now available statewide including Tutor.com, World Book and World Book Discover, and a selection of EBSCO databases including Academic Search Premier, MasterFile Premier, History Reference Center and more are part of the online reference service.

There is substantial savings by going statewide.
