HSLIC’s primary goals are:

- To promote health science libraries and librarianship
- To share knowledge and experiences in library operations and resources
- To provide continuing development for resource sharing within Maine
- To provide opportunities for the continuing education of health science librarians and support personnel

Membership is open to Maine institutions, associations, and individuals.

Waldo County General Hospital

HSLIC membership provides:

- **Purchasing Power** - discounted group rates for desired products.
- **Grants** - monies to help implement and develop projects.
- **Scholarships** - monies to attend conferences and educational classes.
- **Collegiality** - a network of professional colleagues from whom you will get advice and valuable feedback. Newsletter and electronic mail services facilitate the sharing of ideas and collegiality.
- **Continuing Education Opportunities** - access to group-sponsored continuing education activities. Events are held twice a year.
- **Disaster Preparedness** - participation in the disaster plan enables members to maintain levels of service during internal or external disasters.

Membership to HSLIC is available on three levels.

Institutional Membership ($150/yr)
Associate Membership ($150/yr)
Individual Membership ($30/yr)

To find out which level of membership is right for you, contact:
