Using the Wild Apricot Portal to Renew your 2019 NAHSL membership using a Credit Card (PayPal) or Check
At the Portal Homepage, enter your e-mail address (that you used in 2018) and password. If you have forgotten your password, use the **Forgot Password** prompt. Then Login.

If your e-mail has changed, contact Valori Banfi, Membership Chair (valori.banfi@uconn.edu) or Len Levin, Membership Committee (leonard_levin@hms.harvard.edu) and we can update your profile.
Now that you are logged in, click the Membership link to begin the renewal process.

New for 2019! If you are a NAHSL member in good standing and are now unemployed, you can request one year of membership without cost (choose the Regular Member – recently unemployed membership category). This cannot be renewed. If you become re-employed during the year, you will then update your membership category back to Regular Member and will submit the full amount of dues, $50.
You will be recognized as already being a 2018 member. Now, click the Edit your member profile link.
At this screen, you will have the opportunity to:

a) update your profile information if it has changed or is incorrect

b) change membership level, if needed

c) select Renew until 01 Jan 2020
Confirm that all information is correct and select **Update and next** button.
At the “Review and confirm” page, choose one of the buttons:

a) **Pay online** using your existing PayPal account, or as a guest using your **own credit card**.

b) **Invoice me** if you want to pay by check.
FOR CHECK PAYMENTS ONLY – Click the View/Pay invoice button.
Print this page and mail it to Valori Banfi, membership chair. Please include the invoice number on your check.

That’s it! You have now renewed your NAHSL membership for 2019.
